

ACQUA bowls technical data sheet

The Aqua Bowls owe their name to the different tones of blues and greens used, as well as the smooth, irregularly cut bowl rim. They are made from hand-painted bisque. The outer brown and orange colors frame the whole piece. The finish is matte crystalline, subsequently treated to seal microporosities. On the inside, orange and blue-green are present in all versions, while linden green, fern green, and blue lagoon are available upon request. They come in large and small versions with sizes shown in a diagram in the photos.

The **ACQUA bowls** come in two different sizes:

SIZE	LENGTH	WIDTH	HEIGHT
L	24,5 cm	25,5 cm	9,5 cm
S	15 cm	16 cm	7,5 cm
